INTRODUCTION

On the 348 rolls of this microfilm publication are reproduced the applications submitted for shares of the money that was appropriated for the Eastern Cherokee Indians by the Congress on June 30, 1906. The Eastern Cherokee applications, August 29, 1906-May 26, 1909, are part of the Guion Miller Enrollment Records that are among the records of the U.S. Court of Claims. This publication also includes a general index to Eastern Cherokee applications (two vols.).

History

Before the U.S. Court of Claims was established in 1855 there was no procedure by which claims arising against the U.S. Government could be enforced by suit. Consideration of claims was provided for when the Treasury Department was established in 1789; later acts of the Congress authorized the Department to settle all claims by or against the Government. If a claim was rejected by the Treasury Department, the claimant's only course of action was to appeal directly to the Congress. Petitions to that body for relief had become so numerous by the middle of the 19th century that the Congress was beginning to find it impossible to make the proper and necessary investigations for actions on the claims.

The U.S. Court of Claims was established by an act of February 24, 1855, to hear claims against the United States including those referred to the court by the Congress, based on any law of the Congress, any regulation of an executive department, or any contract with the Government, whether explicit or implied. Under this act the court served only as a factfinding agency, and its conclusions were submitted to the Congress for approval and for the granting of awards. In 1863 the Congress enlarged the court's jurisdiction and gave it authority to render judgments against the Government, with the right of appeal to the Supreme Court. An act of 1925 abolished appeals from the Court of Claims to the Supreme Court and substituted writs of certiorari.

An act approved July 1, 1902 (32 Stat. 726), gave the Court of Claims jurisdiction over any claim arising under treaty stipulations that the Cherokee Tribe, or any band thereof, might have against the United States and over any claims that the United States might have against any Cherokee Tribe or band. Suit for such a claim was to be instituted within 2 years after the act was approved. As a result, three suits were brought before the court concerning grievances arising out of the treaties:

On May 18, 1905, the court decided in favor of the Eastern Cherokees and instructed the Secretary of the Interior to identify the persons entitled to participate in the distribution of funds for payment of the claims. On June 30, 1906, the Congress appropriated more than \$1 million for this purpose. The task of compiling a roll of eligible persons was begun by Guion Miller, special agent of the Interior Department. In a decree of April 29, 1907, the court (1) vacated that part of its earlier decision that had given the Secretary of the Interior responsibility for determining the eligibility of claimants and (2) appointed Miller as a special commissioner of the Court of Claims.

The same decree also provided that the fund was to be distributed to all Eastern and Western Cherokee Indians who were alive on May 28, 1906, who could establish the fact that at the time of the treaties they were members of the Eastern Cherokee Tribe or were descendants of such persons, and that they had not been affiliated with any tribe of Indians other than the Eastern Cherokee or the Cherokee Nation. The decree further provided that claimants should already have applications on file with the Commissioner of Indian Affairs, or should file such applications with the special commissioner of the Court of Claims on or before August 31, 1907. Additionally, applications for minors and persons of unsound mind were to be filed by their parents or persons having their care and custody, and applications for persons who had died after May 28, 1906, were to be filed by their children or legal representatives.

In his report of May 28, 1909, Miller stated that 45,847 separate applications had been filed, representing a total of about 90,000 individual claimants, 30,254 of whom were enrolled as entitled to share in the fund--3,203 residing east and 27,051 residing west of the Mississippi River. On June 10, 1909, the court confirmed and approved the roll, submitted by Miller in his report, of Eastern Cherokees who were entitled to a share of the fund except "so much as shall be expected (excepted) to on or before August 30, 1909." After the exceptions had been filed and investigated, Miller submitted a supplemental report and roll to the court on January 5, 1910. In this report he stated that about 11,750 exceptions had been made, that the names of 610 persons (238 east and 372 west of the Mississippi) had been added to the roll, and that the names of 44 persons (5 east and 39 west of the Mississippi) had been stricken from the roll because clerical errors in enrollment had been discovered. Thus the final figure on the total number of persons entitled to share in the fund was 30,820, of which 3,436 persons

NATIONAL ARCHIVES MICROFILM PUBLICATIONS

resided east and 27,384 resided west of the Mississippi River. On March 15, 1910, the court finally decreed that the rolls be approved and that, after certain deductions for expenditures, payments were to be made equally among the Eastern Cherokees who were enrolled. The court also authorized the Secretary of the Treasury to issue a warrant in favor of each person.

In certifying the eligibility of the Cherokees, Miller used earlier census lists and rolls that had been made of the Cherokees by Hester, Chapman, Drennen, and others between 1835 and 1884. Copies of some of these rolls and the indexes to them are filed with the Miller records (filmed as M685). Other enrollment records used by Miller are among the classified subject files of the Bureau and are designated as "33931-11-053 Cherokee Nation."

Records

The applications contain sworn evidences of identity and were filed with the Interior Department's Office of Indian Affairs until April 29, 1907 (the last application was No. 22268), after which the applications were filed directly with the court. The application required each claimant to state fully his or her English and Indian names, residence, age, place of birth, name of husband or wife, name of tribe, and names of children. It further required the English and Indian names of the claimant's parents and grandparents, place of their birth, place of their residence in 1851 if they were living at that time, dates of their death, and a statement as to whether any of them had ever before been enrolled as Indians for annuities or other benefits and, if so, with what tribe. Each claimant was also to furnish the names of all brothers and sisters, with their ages and residences, and the names and residences of all uncles and aunts. Applications were required to be made under oath and to be supported by affidavits of two witnesses who were well acquainted with the applicant. With each application is a card showing final action taken and the reasons therefore. Filed with many of the applications are inquiries concerning the status of the cases, requests for further evidence, protests about unfavorable actions, form letters that had been sent by the special commissioner to the applicants as notices of rejection of their applications and returned by the Post Office Department as unclaimed, affidavits and statements of witnesses, powers of attorney, and last wills and testaments. The applications are arranged by the number assigned at the time the application was received. There are some gaps in the application numbers; these are explained on insert sheets at the appropriate places on the film. The index is arranged alphabetically by name (either English or Indian) of claimant.

Many of the files contain a cross-reference card to other applications. This cross-reference card often refers to the EX file, the report on exceptions filed by Miller on January 5, 1910.

Caroline Crain being first duly sworn, deposes and says:

That I am 65 years of age and live in Calhoun, Me Minn Co., Tenn. I claim my Indian descent through my mother and both of her parents. My grandfather was 1/2 and my grandmother 1/4 Cherokee. My grandparents on my mother's side were born and raised and died in Cleburne Co., Tenn. My grandfather has been dead about 25 years; my grandmother has been dead about 16 years. My mother was born and raised in Cleburne Co., Tenn. My mother's father's name was ~~Johnnie~~ Michael Treace or Trace or Treece or Treas. My grandmother on my mother's side was Malinda Ford. My mother had three brothers and three sisters. They were John, Adam and William. Hannah, Sallie and Callie. My mother and her parents, nor I was never on any roll that I know of. Some of my ancestors had Indian names and I have heard my mother speak of them. Some of them gave me the Indian name and called me We althy. My mother and my grandmother lived with the Indians, but I did not. They lived with the Indians in Cleburne Co., Tenn. My great grandfather was George Ford and he was 3/4 Indian. He was raised in Hamblen Co., Tenn. I have seen him. He has been dead about fifty years ago. He looked like an Indian. There were lots of Indians in Cleburne Co. when my father lived there. I have an uncle there by the name of William Treas and he looks like an Indian. There are lots of Indians there now. My mother's father was said to be an officer in the army but I don't know where. I don't know why they were never on the rolls. My husband is a white man. I am recognized as a white woman in the community.

Nov. 22nd, 1909.

William C. Chandler,
Tahlequah, Oklahoma.

Sir:

Relative to the application filed by you for participation in the Eastern Cherokee fund, you are advised that an exception has been filed in this office by Wm. A. Beck of Flint, Oklahoma objecting to your enrollment. Upon further investigation of your case it appears that your father is only an adopted citizen and that you make your claim through your mother, who, with her father and mother, John and Emily Beck were enrolled on the old Settler roll of 1881 in Osage County District, Group No. 21. Under the decree of the United States Court of Tulsa old settlers are not entitled to participate in this fund, therefore your name will be reported to said Court as not entitled to share in said fund.

Very respectfully,

Special Commissioner.

Mr. John Miller,

Dear Sir:

I have your letter of the 4th instant at hand and am now replying as best I can in the matter.

1st. As to why my grand parents were not enrolled, I can not say, unless it was through ignorance thinking they would be alright any way, as they were Indians.

2nd. As to my ancestors being parties to the treaties of 1790 and 1817, I cannot tell or establish, as I was too young then to know my father about such matters, and have never been informed of such by any one actually then, and can not at this time properly prove of the fact whether or not they were so enrolled.

3rd. You ask me to state clearly and distinctly I claim my right name, and will state as follows.

John Barnes, was was my mother's father and my grand father.

He was a Cherokee Indian, about a 1/2 breed, and he lived in Tennessee

anywhere, but I have been informed it was close to what doe, Tenn.

and Peter Brum, my father was a 1/4 Cherokee Indian.

As to my ancestors being slaves, I can not say, but if they were, it was of course by name of John Barnes, he is my grand

5th. I pass in the community where I live as White and Indian.

I have never seen any of my ancestors I have spoken of but I have heard my folks say that Sutton Parks was my Grand father, and I have thought all the while that they were surely enrolled as the beyond my question were Cherokee Indian, and any one would have thought as I do.

This is all I am able to say about this matter, hoping to hear from you soon as to when this matter will be brought to an end and I will anxiously await your answer,

Yours very respectfully,

Hollie Ann Roach being first duly sworn, deposes and says:

That I am 50 years of age. I claim my Indian descent through both parents. Don't know how much Indian on my father's side. He was Cherokee and Choctaw. My mother's father was 1/2 Cherokee and she was a quarteroon Cherokee. My father was about 70 years old when he died. I was very small when my mother died; she was in her thirties, I think. My understanding is that my parents were born in Tenn., Carroll Co., I think. My father claimed Indian through his father; his mother had no Indian blood. My mother claimed through her father and mother. My father and mother married cousins. Sutton Barks in English was my mother's father. Katy Crum and she married Barks was my mother's mother. Don't know where they were born but think it was in Tenn., but I don't know what county. Sut was the Indian name of my grandfather on my mother's side. I don't know whether my parents ever lived with the Indians or not, but I had an uncle named Jim Crum, a brother to my father, who lived here among the Cherokees. Don't know whether he is dead or not. Riley Crum was another brother of my father. Joseph William Barks was a brother of my mother. Don't know whether she had any sisters or not. Don't know whether my parents or grandparents were ever on any roll. None of them ever received any land or money from the government that I know of. Four or five years ago I made some sort of an application but never heard anything of it. My husband is a white man, a Spaniard. Don't know whether my father ever received any money from the Choctaws or Cherokees.

Roberson Kemp being first duly sworn in behalf of Hollie Ann Roach, deposes and says:

That I am 64 years of age. I am acquainted with the applicant. Was acquainted with a man named Jim Crum during the Civil War. He used to claim that he was half Cherokee and Choctaw - that is, he was a full blooded Indian, half Cherokee and half Choctaw. He never said whether he was on any roll or not. ~~Never~~ Never said whether he ever got anything from the government. He came from Texas in about 1864 to this state. Did not tell me where he was born. All I know about it is that he claimed as above stated to be half Cherokee and half Choctaw. As far as he told me or as far as I know, he never said that he had a brother named John.

Mary Hackler being first duly sworn in behalf of Hollie Ann Roach, deposes and says:

That I am 75 years of age. I am 1/4 Choctaw. I was acquainted with a man by the name of Jim Crum about 25 or 30 years ago. I first saw him in Texas and back in Tenn. - in Carroll Co. I was a small girl when I left Tenn., about 10 or 12 years of age, and he was still living there in Tenn. In about 10 or 12 years after that he came to the eastern part of Texas. Never heard him say how much Indian he was. Jim Crum was a brother to the father of applicant. I also knew the father of applicant. I reckon he came West with Jim Crum. We all lived there as white people and if there were any Indians, I did not know of them. Don't know whether they were ever on any rolls or not.

Replying to your letter of January 3, 1910, you are advised that it is impossible for me, at this time, to state when the Eastern Cherokee fund will be distributed.

There have been a large number of exceptions filed to my report, and these will be taken up for final disposition on January 10, 1910, but until the roll is finally approved by the Court no money can be paid.

Miss.

Arzelia Wilson being duly sworn deposes and says:
"I reside at South Bend, Indiana. I am thirty-eight years old. I claim my Indian blood through my mother. ~~My mother's name before marriage was Adeline Anderson. She married Felix Caloway. My mother is living and she is sixty-nine years of age. Her name is now Adeline Caloway. She has not filed a claim. She was born in Vincennes, Illinois. She had older brothers and sisters who were also born in Illinois. She claimed her Indian blood through her mother. Her mother's name was Winnie Goins before marriage. I do not know where Winnie Goins was born. I do not know when she moved to Illinois, if in fact she was not born there. I understood from my mother that Winnie Goins was nearly a full blood Indian, that she was a Cherokee Indian. My mother has a brother, Aron Anderson living now in Cass County, Michigan. My mother lives in Union, Cass County, Michigan.~~

Aztec, New Mexico.

Sir:

I am in receipt of your letter of July 9, in which you state that the papers recently sent you in reference to a previous letter relate to the claim of John W. Hilderbrand, and ask that the papers in your own case be sent you.

In reply you are advised that the records of the office show that the applications of John W. Hilderbrand and J. R. Hilderbrand bear the same number and are included in one case, and the papers sent you are all found in the files pertaining to this case. A further examination of the copy retained in this office shows that these affidavits deal with the application of John W. Hilderbrand only, and you are, therefore, requested to return same to this office.

A careful search has been made and no affidavits or papers relating to your own case are found in the files.

Respectfully,

WSDM (LBA)

Commissioner.

SOUTH PITTSBURG, TENN. Aug, 29th, 1907.

Court of Claims.

Washington, D. C.

Dear Sir-

I herein beg to hand you the application of Mrs. Lizzie Spencer for pro rate share of the funds for the heirs and descendants the Eastern Cherokee Indians, together with her three children.

You will note that we have not the two identifying witnesses. This is due to the fact that these people have just moved into this County within the past two days and as a consequence they are practically unjnown to every one here. Her people are well known Indian descendants in Roane County, Tennessee, and she can make good and sufficient proof of identification there proveded that she had the time to get it , and get this application to Washington before Aug, 31st.

Under all the circumstances I ask that the claim be filed in its present condition, and that we be allowed to complete the other matter at a latter date. Please advise me if we may do this. I am of the opinion that it is a meritorious claim.

Yours very truly,

Jeptha Bright

Crate Sneed being first duly sworn, deposes and says:

That I am 33 years of age and live in Meigs Co., Tenn. I claim my Indian descent through my mother and her mother. All the rest of my grandparents were white people. I don't know where my grandmother was born and raised. My mother was born and raised in Meigs Co., Tenn. My mother nor grandmother were never on any roll that I know of. My husband is white. My grandmother Killoe was a quarteroon. I am recognized as white in the community where I live. I don't know whether my grandmother ever had any Indian name or not. Don't know when she married my grandfather. She has been nine or ten years and she was about 60 when she died. Don't know when she was married. My mother was born in 1856. She is living but has made no application because she don't need it, I reckon. None of my mother's brothers and sisters were on any Indian roll and none of them never received anything from the government by reason of their Indian blood. Some of them are in the Ind. Ter. Mary Barnes was grandmother Ray's mother. Don't know where she was born and raised or died. Don't know whether she was ever on any roll. My mother never lived with the Indians as a member of the tribe. Don't know whether my grandmother did or not. There isn't anyone who can give any more information than I have given and I don't know of anything more that she can add to what I have given.

Emeline T. Smith et al,

Vs. No. 161.

Cherokee Nation.

Mr. N. A. Gibson, Special Master, to whom this case was referred, submits the following report:

(Insert report)

BY THE COURT.

From this report it appears that the claimants base their right to be enrolled as citizens of the Cherokee Nation upon the ground that they are the descendents of Wm. Jones, who is said to have been a Cherokee Indian by blood, and whose name appears upon the old Settlers' roll of 1851 and 1852, and resided in Delaware District, Cherokee Nation.

It also appears that the claimants made application to a Cherokee Commission on Citizenship in the year 1887, and that their application was rejected in 1888, and also that the same parties made application in 1882, and that they were rejected in 1883.

The judgment of the United States Commission rejecting this case is affirmed, and the application of the claimants to be enrolled as citizens of the Cherokee Nation is denied.

IN THE UNITED STATES COURT IN THE INDIAN TERRITORY,
NORTHERN DISTRICT, AT MUSKOGEE.

EMILINE T. SMITH ET AL)

-- VS -- : #161. REPORT OF SPECIAL MASTER.

THE CHEROKEE NATION.)

-----c00-----

I, N.A.Gibson, Special Master herein, respectfully show to the Court that under the order heretofore made, I have examined the proof and pleadings in this case, and that I find as follows:

I

That this case was filed on September 8, 1896, when application was made to the Commission to the Five Civilized Tribes for citizenship by blood in the Cherokee Nation of Indians; that the said application was tried by said Commission on November 12, 1896, and the application denied, no reason being given for the said decision, and that on January 7, 1897, the parties appealed therefrom to this Court.

II

That this application was made by Emeline T. Smith and her children James A., John E., Landon C., Capitola, William G. Arthur J., Beulah B. and Ben J. Smith. That they claim Cherokee blood through William Jones, who is said to have been a Cherokee Indian by blood, and whose name appears upon the Old Settlers Roll of 1851 and 1852 as residing in Delaware District, Cherokee Nation.

III

That the parties file in support of their application the affidavits of Betsy Hampton, J.M.Bryan, Polly White, William Donaldson, George W. Harris, William H. Mayes and Matilda E. Smith, and a certified extract from the Old Settlers Roll of 1851 and 1852, showing that William Jones was enrolled thereon.

IV

That the proof shows that William Jones, the ancestor through whom these parties claim, left the State of Tennessee at an early day, leaving there his white wife and three children, two boys and a girl by the name of Mahala Jane. That this daughter Mahala Jones married Edward Mayes, and was the mother of Emeline T. Smith, the claimant herein. It appears from the testimony that he married again after coming to the Cherokee Nation, in the Indian Territory, and had other children, and that these three children whom he left in the State of Tennessee were never enrolled as Cherokee citizens, and that he was enrolled on the Old Settlers Roll of 1851-52.

V

The Cherokee Nation introduces in defense the record of a Commission on Citizenship showing that these parties made application for citizenship in the Cherokee Nation in the year 1887, and that this application was rejected on October 11, 1888, and also that the same parties made application to the Tehee Court in the year 1882, which application was denied on September 27, 1883.

VI

The proof shows that the claimant Emeline T. Smith, with her family, are residents of the Cherokee Nation, Indian Territory, and have resided in that Nation since the year 1876.

VII

The claimants contend that under the showing that they are residents of the Cherokee Nation, and are the descendants of William Jones, whose name appears upon the Old Settlers Roll of 1851 and 1852, they are entitled to be enrolled as citizens of the Cherokee Nation by blood; while the Cherokee Nation contends that under the law applicable to this case, the claimants having failed to show that Mahala Mayes, the mother of the principal claimant herein, was ever enrolled as a citizen of the Cherokee Nation since the removal west to the present location of that Nation, and further that by reason of the fact that these parties have heretofore made application to a duly authorized tribunal and have been rejected, that they are not now entitled to be admitted to citizenship in the Cherokee Nation under the law applicable to cases of this character.

The premises considered, I find that the claimants are the descendants of William Jones, who was a Cherokee Indian by blood and enrolled upon the Old Settlers Roll in the year 1851, and that they are persons of Cherokee blood and descent, and that they are residents of the Cherokee Nation, Indian Territory, where they have resided since 1876.

I respectfully ask that the Court will allow me a reasonable fee for my services herein.

Respectfully submitted this 8 day of June 1897.

(Signed) N. A. Gibson.

No Exceptions filed.

Tobitha Jane Jenkins being first duly sworn, deposes and says:

That I am 51 years of age. I claim my Indian descent through my father; my mother was a full blooded white woman, and my husband is a white man. My ~~no~~ father claimed the Indian blood through his mother. Don't know her given name, but her maiden name was Lewis and she married Cochral. My father was born in Louisiana. I think he was born in 1831. He has been dead a year and was 77 years old when he died. I don't know whether my father ever lived with the Indians as a member of the tribe. He left Louisiana between 1854 and 1857 and came to Texas. His grandmother was on the roll. Don't know her given name; it was Elizabeth or Julia Lewis. Don't know what roll it was that she was on. She died before I was born. My father always thought that he was on some roll, because his mother always told him so. He never received any land or money. Don't know what roll ~~xt~~ he was on. About 1894 my father applied for enrollment (don't know what it was) but we never got anything. I am recognized as a white woman in the community, but lots of people know that I claim the Indian blood.

Special Commissioner,

Dear Friend: —

I will ~~will~~ give you all
the information I can.

If my ancestors were never enrolled
I cannot tell you why.

My great grandfather Lokey was
a Cherokee Indian and must
have resided and also ~~died~~ died in
the state of Alabama sometime before
the yr. 1835.

My grandfather William Lokey
moved from Alabama to Tennessee
sometime before the yr. 1850, the yr.
in which my father and mother
were married. My parents &

= 2 =

grandparents resided in Tennessee
from 1850 until 1860.

Sometime between 1860 + 65 my
parents and grandparents moved
to Saline co. Arkansas where my
grandfather William Loke died in
the yr 1865, and where my father
James Taylor Loke died in the yr.
1875 leaving my mother a widow
with three little girls to support.

My mother moved to Boone co. Ark,
where my mother died.

And working and toiling I never
thought of putting in an application
until of late years.

I pass as a white woman here.

I do not know whether my ancestors
were ever slaves or not.

I think it is very probable that

= 3 =

They were parties to the treaties
of 1835-6 and 1840, but I can't
say for sure.

If you ^{think} there's anything more I could
give which would ^{be} ~~benefit~~ ~~many~~
I would be glad to know it.

yours truly.

My name is Emily Edmonson. I live at Keener, Ark. I was born in Saline Co., Ark. in 1865. I claim my Indian blood through my father, whose name was Jim Lokey. He is not living now. His name was James Taylor Lokey. His mother's maiden name was Cryer. My father was born in Ala. I don't know what county or near what town. He was born about 1832. My father moved to middle Tenn. sometime in his early days. From there he moved to Mo. and from there to Ark. ~~xxxxxxvaxtoxxe~~. I suppose my father lived with both the Indians and white people. I don't know whether he lived with the Tribe or not in Tenn. an Ala. He never received any money or land from the Govt. as I know of. I was told that the Lokey name was enrolled by my brother in law. I never made Arkl. for citizenship in U. S. I have one sister who has filed an application. Her name is Sarah Smith. She lives in Ala.

In the matter of claim of Oscar L. Goolsby, claim #43038; Fannie Goolsby, claim #43036; Needer Goolsby, claim #43037; Jas. H. Harrison, claim #41262; Jas. S. Harrison, claim #41417; Chas. Harrison, claim #41263; Robert Harrison, claim #41306; Gen. L. Harrison, claim #41302; H. O. Harrison, claim #41267, and Callie Schoolfield, claim #40518.

In the matter of the above claims for participation in the funds arising from the judgment of the court of claims of the U. S. A. on May, 23rd, 1906, in favor of the Eastern Cherokees, comes before me, W. T. Anderson, a Notary Public in and for said County of White in the State of Tennessee and will state to the following state of facts:

That she is 86 years of age and now resides in White County, Tennessee and her post-office is Sparta, Tenn. R. F. D. #2. And states that she is acquainted with the family history of the above mentioned applicants; that the ancestor of these applicants came from an ancestor under one Elias Hill, who died 63 years ago in White County, Tennessee, on the Wolf Kill river, and left six children as follows:

Pop, who married Jas. Minard; Pop is, who married Jack Townsend; Susan, who married A. C. [unclear], [unclear], who [unclear] was never married; Philip, who married Jas. [unclear], and [unclear] [unclear].

That at least in the [unclear] Tennessee [unclear] to a [unclear] and [unclear] of [unclear] Hill; that he [unclear] about 82 years ago on Flat Creek, a tributary of Wolf Kill river, [unclear] is now [unclear] [unclear], Tenn.; that he lived along the [unclear] of [unclear] River in Tennessee [unclear] [unclear], up [unclear] she was about 12 years of age; she has [unclear] [unclear]

little recollection of those circumstances herself; that he moved from that part of the country and came and located on the Cumberland Mountains above the head of Sequatchie Valley, in what is now Flanders County, Tennessee. She remembers well, the gathering of the Cherokee Indians; she supposes about the year 1835 or 1836 (she can't state the year, she was only a small girl about 15 years of age) they gathered up the Indians, or all they could get and took them off West, this place was near a place where the white people lived on one side of the river and the Indians on the other side. Her father was living among them at that time and always claimed to be a part Cherokee Indian, and so did, all the people with whom she has frequently talked and who were acquainted with her father, state the same. It has always been a part of the family history, that she, the applicant was of Cherokee Indian descent. Her father did not remove with the Indians at the time the Indians were removed, but about this time, he came to Cumberland Mountain in Tennessee, near the head of Sequatchie Valley. From the head of Sequatchie Valley, her father came to Flanders County, Tennessee and lived here in Flanders County 8 or 10 years and died about 63 years ago, the precise date she cannot state. This county (Flanders Co.) was thinly settled, at any rate. The names of the towns where the Indians were gathered, were Charleston, and Calhoun.

Tom Hill's father's name was John Hill, and his mother's maiden name was Nellie Marsh, and they lived in that country on the Hiwassee River, in that place her father said that, this she learned from her father and mother, (her mother) they lived and died there and they never came to this country (white). I never saw them, that is grand-father Hill and grandmother Hill. She only learned this from her parents.

The applicants are the descendants of his daughter

Susan, who married D. C. Harrison. The e was born unto Susan, the following children:

- (1) Tom Harrison, who is not an applicant.
- (2) Jas. S. Harrison, who was born on the ____ day of ____ 18__ and is living at Spring City, Rhea County, Tenn. and is about ____ years of age.

between the U.S. and Cherokee indians. Claimant makes
her claim through her father Mause Comer and her mother
Adeline, and each claimed to be 1/2 blood Cherokee, and
Claimant's grand father Peter Jones was a full blood, and
they were all slaves of white people, and then all
resided in the State of Va. until about 1851 and were
moved to Russell Co. Ala. Claimant's father is still living
and resides, in Gerard Ala. and all that is neces-
sary to determine as him being an indian is to see him.
and Claimant obtained all her information from
her parents, relative to her Cherokee blood; and she is
clearly of opinion that she is entitled to a pro rata
of the fund in favor of the Eastern Cherokee indians
and demands a fair square investigation of her
claim, on the final hearing of the matter.

May 26th 1908.

Hon. Union Miller Special Com;

I cannot say whether my grandparents were ever
enrolled or not for the reason, I was born in
1853 but was always told by parties who are now
alive that my Grand father Hobby Wind was never
enrolled because he never was carried back
to the reservation but died in the state of
Ga. My Ancestors were never parties to any
of the treaties referred to. I claim through my
Grand father Hobby Wind who resided in
Payette Co. Ga up to and including 1857.

I will (turnover)

Yes my grand mother Fanny "Skind" the
wife of my grand father Abby, belonged
to John D. Still. My father belonged to Ben
James and my mother belonged to Mrs. M. Bridges
Ware. You pass for a colored woman
here but my mother is $\frac{1}{2}$ Indian and my
father had a great deal of Indian blood
in him.

I am very Resp^t

Dear Sir:-

Your letter of inquiry of 21st received, and in reply I will answer the questions as best I can. I have no education at all. Cannot read or write, and, therefore, know but little except what my mother told me years ago. She said her father was 1/2 Cherokee.

I do not know why my parents ~~and~~ grandparents + myself were never enrolled. Do not know whether or not my ancestors were parties to treaties of 1835-6 + 1846. The ancestor through whom I claim was born, reared + died in W. Minn County, Tenn. His father's name was Enoch, but he was bound,

William A. Erwin being first duly sworn, deposes and says:

My name is William A. Erwin. I live at Scottsboro, Ala. I was born in 1859 in Madison County, Tenn. I claim to be connected to the Cherokee tribe of Indians. I claim through my mother and her father. My mother was born in about 1826. She was born in Madison Co. Tenn. My grandfather's name was Alec C. Stile or Alec Knocks. He went by the first name. I don't know where he was born, or where he came from. I think he came from above Madison County in Tenn. I don't know of any Indian ancestor except this much name. My mother and grandfather were recognized as white people, and always lived with the white people. I never heard of my mother or my grandfather living with the Indians. My mother had been among them right smart, and could talk Indian. The U. S. Indians would come to see my mother, and seemed to be very friendly with them. When my mother was born her people were living near Athens, Tenn. My mother or grandfather were never enrolled and never got any money or land from the Govt. on acct. of their Indian blood. My grandfather owned a little piece of land when he died. I don't think he owned any when my mother was born. I never heard of my grandfather ever taking part in any tribal proceedings. My mother just told me that he had Indian blood in him, and that it came through her father. I don't know any further back than that. I don't recollect that I have heard of my mother or grandfather speak of any treaty in 1835. I do recollect that they were of the time when the Indians were taken away from here. My grandfather was in Tenn. at that time. In 1882 I was living in Madison County, Tenn. I never heard of an enrollment in 1835. This is the first time I have ever enrolled.

and says:

My name is Marie Brandon and I reside at Venable, Ala. I was born in Winston Co., Ala. in 1875. I claim relationship to the Cherokee Indians through my father, Jefferson Brandon, who was a three-quarter Cherokee Indian. He was born in Towson Co., Ala. about 1823. He lived in Towson Co. until a short while before the Civil War, when he moved into Blount Co., Ala. Towson County, as now shown on the map, was at the time of my father's birth a part of Cherokee County. I remember my father very well and he resembled an Indian, having all the characteristics, and was so taken as an Indian by all our neighbors. He was recognized as white people with Indian blood, and have never been in other society than white. I remember in 1882 when my father, mother, brothers and myself were living in Tennessee, at Saultillo, Hardin County, the Indians came by there and stayed with us in the house for about a week. They were Cherokee Indians and doctors of the tribe. They could sell their medicine and then pass on. The medicine was made of roots and bark, etc. These Indians were very intimate with my father and said that he was one of them. These Indians and my father, while they were visiting us, could often go fishing. If there's fishing, my father and his brother, Jim Brandon, and two sisters, my mother and sister Brandon. My grandfather, Jim Brandon, lived before the Indians came. My father's mother stayed in the County with the children after the grandfather's death. I have heard my grandfather say that the Indians were from the part of the country where he lived and that it was all the tribe of the Indians. I have heard of my grandfather say that he lived, but that wherever he visited he was recognized as either a Cherokee Indian. My father never visited any more of the Indians, if he had he would have known it. I have heard of my grandfather say that he lived, but that wherever he visited he was recognized as either a Cherokee Indian. I have heard of my grandfather say that he lived, but that wherever he visited he was recognized as either a Cherokee Indian.

My name is John C. Walker and I reside at Bangor, Ala. I am sixty-eight years of age and was born in Lincoln Co., Tenn. I have known Marie Brandon, the claimant, ever since she was a child; I was well acquainted with her father, Jefferson, and first met him before the Civil War. He looked very much like an Indian and was always known as a Cherokee. We always looked upon him as a three-quarter Indian. I knew his mother very well, and she was a half Cherokee Indian, and before her marriage to Jim Brandon her name was Roundtree and was known as Mother Fatsey. I often asked her if she didn't go West with the other Indians and she said that she knew this part of the country and knew what it was and was going to stay here with her children. She thought more of the white people than she did of the Indians. Her people were always recognized as white people with Indian blood. I was neighbors with the Brandons in Winston Blount County and I know that they were recognized as Cherokees, because right across the river from us, which river was known as the Mulberry River, there were several families of Cherokee Indians living there where Mr. Brandon would visit, and they would visit him. Mr. Brandon was of a very roving disposition, just like an Indian, and would never settle down in one place. I do not know whether he ever was enrolled as an Indian or not, nor did I ever hear of his receiving anything from the Government on account of being an Indian.

ever since she was born. I know her people well and her father
was Jefferson Brandon, and I would have called him a full-blood
Indian. He told me that he was a Cherokee Indian. He often
told me that when a boy he lived among the Indians and played
with the Indian children and I have often heard him sing the
Indian songs. I also knew his mother, whom we all knew as
Mother Catsey, her name being Catsey Brandon, and she told me
that before her marriage her name was Roundtree. He told me that
she was a half-blood Cherokee Indian and that she lived among
the Indians. She often visited me. I remember that when Mr.
Brandon came back from Tennessee he told me that while there
he met some of his old Cherokee friends and that one of the
doctors, and as I remember he called him Doctor Cornsblat.
I have often heard of her staying with the Indians when the
Indians were taken West. She said she wouldn't go because she
had a home here in the East and would not go with the Indians.
The Brandons or always recognized as white and went into white
societies. I know of no enrollment of these people as Indians
or of they ever having received any money from the Government.

Kindly advise this office why your papers are being
retained and held pending the Eastern Division.

Have your papers been held in view? If so, how long
will it take before they are released?

Are your papers ever used in the Eastern Division
and if so, for what purpose? This last question is
of the utmost importance.

Sir:-

Kindly advise this office why your parents and grand-
parents were never enrolled with the Eastern Cherokees.

Were your parents held as slaves? If so, were they
owned by White people or Indians?

Did your parents ever live with the Cherokees as

tribal councils?

Respectfully,

Dear Sir:-

1st I have no record to know why they were
not enrolled. I know not unless it was an oversight
of the enrolling officers.

2nd My parents were white, not owned by anyone.
He were free citizens and are so now. I am a white man.
My parents were related to the Indians.

3rd My parents lived in the community with the
Cherokees and had business dealings with them.
Don't know as to attending tribal councils.
(over)

My parents employed members of the tribe to
